A white Coastal Skiff boat is docked at a wooden pier on a calm lake. The boat has a black outboard motor and a white seat. The background shows a blue sky with scattered white clouds and a distant shoreline with trees.

Coastal SKIFF

WHAT MAKE COASTAL SKIFFS SPECIAL?

Coastal Skiff is a family-owned boat builder with each boat built by hand one at a time from their shop in Fair Bluff, North Carolina. Owner John Jarvis rigs and finishes each boat personally before it leaves the assembly line.

We are proud to be the area's only dealer of Coastal Skiffs and Coastal Flats boats from North Carolina builder Four Sons Marine! Coastal Skiffs are hand built one at a time in Fair Bluff, North Carolina. Carolina Boat Company offers the Coastal Skiff in models 171, 184, 212 and 271. We also offer the Coastal Flats 195 and 231. All of our Coastal Skiff and Coastal Flats boats are powered Mercury outboards.
